Alleghany- This center operates 2 days a week and is not eligible for certification under the requirement of a 32 hour per week minimum.

Ashe- This center operates 3 days a week and is not eligible for certification under the requirement of a 32 hour per week minimum.

Yancey- This center operates 3 days a week and is not eligible for certification under the requirement of a 32 hour per week minimum.

Mitchell- This center operates 2 days a week and is not eligible for certification under the requirement of a 32 hour per week minimum.

Avery- This center operates 3 days a week and is not eligible for certification under the requirement of a 32 hour per week minimum.

Wilkes- Currently in Wilkes County there are two workforce offices. One is a DWS office and the other is a WIA office. We have just recently come to agreement about how to consolidate these two offices into a single integrated workforce center. Beginning July 1, 2014 this new consolidated workforce center will be set up and functioning using an integrated service delivery model. We anticipate applying to certification once the new center is in operation.

Watauga- The Watauga center will be moving to a new location set to open on July 1, 2014. As part of this relocation we will be working to develop integrated service delivery with all staff including Caldwell Community College, Vocational Rehabilitation, SBTDC, WIA and DWS. We anticipate applying for certification in July.
